## **MAILING BOX**

TO: Video Unlimited  
264 Swanson Rd  
Henderson  
AUCKLAND

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Pussyclips.1

is: Not Approved

if approval refused, the reasons for the decision:

The explicit display of men and women engaged in explicit sexual activity including the splaying of female labia and the extreme focus on female pubic hair which is bedecked with earrings, is considered to be degrading and dehumanising. The dominant effect of the publication is a focus on adorned genitals and body parts alone which is considered to lower the rank and dignity of all participants.

In consideration of the factors mentioned above, the Classification Office, in accordance with Regulation 27(3)(a) of the Film, Videos, and Publications Classification Regulations 1994, refuses to approve the film poster.
